

Meeting Agenda

Date: 20140324

Facilitator: Simon Nielsen

Participants: Jacob Gideflod, Emma Lindholm, Simon Nielsen, Andreas Pegelow

1. Objectives (5 min)

This meeting we'll create a presentation for the seminar.

2. Reports (10 min)

Since the last meeting we've started to design the implementation UML at the supervised meeting and Andreas and Emma have drawn some more mockups.

3. Discussion items (50 min)

(a) We've discussed what to include in the presentation.

4. Outcomes and assignments (10 min)

(a) We have a completed presentation for the seminar.

(b) Until the next meeting everyone should start to design the implementation UML.

(c) If there is time, we'll start to implement some code.

5. Wrap up

Next meeting will be 2014-04-01
